

27 November 1961

MEMORANDUM FOR THE RECORD

SUBJECT: Report on Aerial Photography Holdings

1. Discussed the attached report with [redacted],  
[redacted] is a cartographer  
who has been employed by CIA on several occasions, and is ac-  
quainted with the materials gathered by our people. He feels  
that we can ignore this report because our aerial shots would not  
be concerned primarily with map making.
